Lock Haven Mayor Rick Vilello, in the ball cap, helps flight school instructor H. Paul Shuch cut the ribbon at a reception for the newly created AvSport light sport flight training business at Piper Memorial Airport in Lock Haven Saturday. Also attending were city councilmen Alan Black, left, and Steve Stevenson, right. The new flight school offers light sport aircraft training leading to the Federal Aviation Administration's new "Sport Pilot" designation. The school's newly acquired Evektor SportStar plane rests in the background.
